Studies In Gratitude.

"All I got for my trouble was a
"thank you," said the man who be-
grudges friendly effort. "You're lucky,"
replied the billionaire philanthropist.
"I'm expected to say 'thank you' to
people who find me a suitable method
of giving my money away."

THE NE'ER DO WELL

Have you ever noticed how many
bright young people are just "stuck in
a rut," letting the best years of their
lives slip by and who excuse their in-
action by saying, "I never had a chance,
but some day I'll get started. All things
come those who wait."

That's all wrong, young friends.
Nothing will "come" to you, except
creditors bills. The things worth hav-
ing are obtained by those who go after
them and stay right on the trail until
they get them. Every failure "didn't
have a chance." The trouble is, he
didn't grasp the opportunities that were
everywhere about him.

If you expect to have all things favor-
able before entering business college,
you'll never begin. Resolve today to
make a start this year—NOW. There
will never be so opportune a time as
TODAY.

Take the first step by sending a posta-
card at once asking for information.

Be sure and take a bottle of Chamber-
lain's Colic, Cholera and Diarrhoea
Remedy with you when starting on your
trip this summer. It cannot be obtained
on board the trains or steamers. Chan-
ges of water and climate often cause
sudden attacks of diarrhoea, and it is
best to be prepared. Sold by all dealers.

W. A. Brumback, U. S. Court Commis-
sioner will look after your Land Of-
fice business, and do it right.

Dysentery is a dangerous disease but
can be cured. Chamberlain's Colic,
Cholera and Diarrhoea Remedy has been
successfully used in nine epidemics of
dysentery. It has never been known
to fail. It is equally valuable for child-
ren and adults, and when reduced with
water and sweetened, it is pleasant to
take. Sold by all dealers.
